## PLAN REVIEW FEE SHEET

- Two sets of paper plans and specifications shall be submitted for review.
- A site comment sheet from Frederick County Department of Planning and Development must accompany each submittal.
- Frederick Water plan review checklist

All Drawings, specifications and engineering reports submitted for approval shall be prepared by or under the supervision of a registered Professional Engineer or others legally qualified to practice in Virginia.

**If submitting plans via U.S. Mail or Courier please mail to the following address:**

Frederick Water  
 315 Tasker Road  
 Stephens City, Virginia 22655

*Please make all checks payable to Frederick Water (all fees are non-refundable)*

This application must be complete and fee submitted before plans will be reviewed.
